Vacation Bible School**

Deacon's Report

During June I traveled some 232 miles visiting our members in Solaris Life Center, St. Lucie Medical Center, the Oasis Rehab, making home visits at Nettle's Island and Southwood's in Stuart, and going to the Volunteers in Medicine Pharmacy.

My Travels took me to Bible Study at the Martin Correctional Institution and the Kairos Advisory Council Meeting Church in Palm City. Before leaving on my two-week vacation, I attended the two day Annual deacons' Conference in Boca Raton.

Recently I encountered a number of True applications of special interest. A family came to us for help who had been living here in a mobile home nearby. The mother did not speak English and her daughter interpreted for her. The mother had lost her job and had no income to support her family. Because of this, she could not pay her rent and was asking for help. She had no identifying information so was probably an illegal immigrant. I contacted House of Hope, who helps families like this who lack identifying information. We always try to verify the person by getting identifying information. Actually, the family came in twice to see me as they were struggling to survive. I mention this case, not so much because of its difference from other cases I have dealt with, but to point out that I often have to go beyond what TRUE can do. Sometimes it is necessary to collaborate with other agencies as the financial problems are so severe.

Another family I saw this past week was very concerning as well and represents what I see so often in families who come to me for help. In this family the father lost a good paying job and had no way to pay their rent. The Mother was in nursing school. Both parents took lower paying jobs to try to pay the rent but couldn't do it, so the case was referred to the Courts for eviction. When I saw her, she was doing all she could to pay this so they did not have to live on the streets. I helped her as much as I could and referred her to other agencies as well. I cite these examples of what I try to do through TRUE so you will have a better understanding of the help we try to provide for families in our community.

In God's love,
Deacon Alan

Peering Into the Past –

In April, 2005, Jon Hanna was our Sr. Warden, Steve Calvert, the Jr. Warden, Lorraine Devereaux, the Treasurer and Janet Kempf was the Clerk of the Vestry. Father Frisby had yet to arrive as our interim.

Goals of the Transition Period as proposed by the Executive Committee and Endorsed by the Vestry April 18, 2005 were these, and where we are today is in **bold**.

Reaching a larger number of worshipers in 2005 than in 2004, measured by worship attendance. **In 2018, we still have this as a goal for 2018 vs 2017.**

Completing \$6000 pledge toward the assessment to the Diocese of S. E. Florida. **In 2018, we are current on our Diocesan Assessment.**

Contributing to the 2004 past due pledge to the Diocese. **In 2018, we don't owe the Diocese any old debts.**

Hiring a choir director. **In 2018, we have Betsey as our choir director.**

Reporting accurate figures of the Parish to the Diocese and National Church. **In 2018, we still have this as a goal. Thank you to the Ushers for doing good head counts and recording them and to the Money Counters & Treasurer & Treasurer's Assistant.**

Developing a computer system which provides access to the leadership of the parish. **In 2018, we still have this as a goal. Our Technology Committee is on it!**

Updating parish website. **In 2018, we still have this as a goal. Our Communication Committee is on it!**

Develop resources pertaining to lapsed members. *Hmmm I think we will work on this too in the months ahead. I think we can all reach out to those who have gone elsewhere and tell them they can come home.*

Joyce Fletcher Menard

All Saints' Thrift Shop Summer Hours

In July and August, All Saints' Church Thrift Shop will operate on a new summer schedule. The shop will be open Tuesday-Friday from 10 am – 2 pm, and closed on Saturday – Monday. **We will have a Christmas in July Boutique.**

While Thrift Shop Director Buddy Glover and his team of able shopkeepers are taking well-deserved days off this summer, however, the shop will continue to provide its important community service and outreach the rest of the week. The Thrift Shop offers an attractive alternative to those who want to save a few dollars while enjoying its welcoming ambiance.

The All Saints' Thrift Shop depends on you to help restock its inventory and keep its doors open. This is particularly true during the summer when many regular donors are away at their summer homes. Please donate your gently used clothing, jewelry, pocketbooks, and home goods (no electronics) anytime during the shop's open hours. Your donations are tax-deductible and a great way to help support All Saints' Episcopal Church.

All Saints' Gardening News
by Louise Andrews

A group of Martin County Master Gardeners make a bimonthly visit to select gardens to observe unique plants and learn more about gardening in our area. On Friday, June 1st, a small group of Martin County Master Gardeners visited the Gardens at All Saints'.

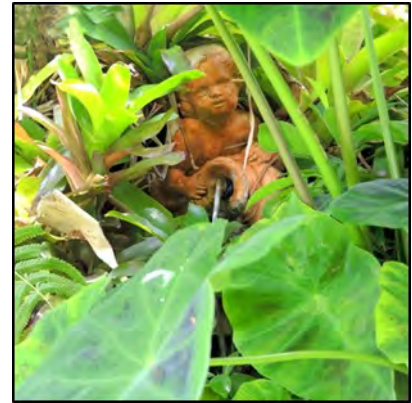

Master Gardeners

The Fish Pond

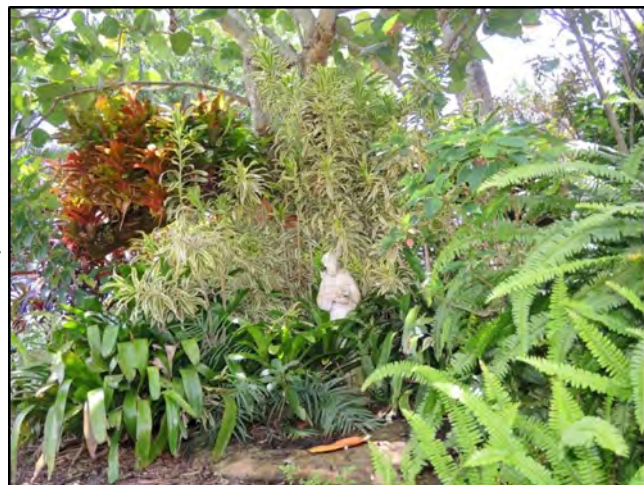

Louise Andrews, our Garden Docent who is also a Master Gardener, provided a tour of the Gardens for our visitors. Joyce Fletcher Menard, our Church Historian and Senior Warden, opened the church, giving our guests a brief tour and history of All Saint's. The attendees were

enthralled with the interior of our church and asked lots of questions about everything they saw. After the tour of the Gardens and the Sanctuary, they were served a light lunch in Houg Hall.

The Pond's Water Bearer

Some of you may recall back in 2011, Louise Andrews received permission from the Vestry to renovate the Gardens, removing all the hedges around the pond and adding color to the Gardens. The purpose was to have the Gardens reflect the beauty and majesty of the churches interior. Our All Saints' Gardens have been recognized by the Florida Federation of Garden Clubs, The University of Florida/IFAS Master Gardeners and was on the 2016 Secret Gardens Tour hosted the Stuart Garden Club.

Father Fiacre, Patron Saint of Gardeners

Our new Office Manager, Elise Moloney, an avid plant aficionado, also attended and took these pictures.

All Saints' Vacation Bible School 2018

What a wonderful Vacation Bible School we had from June 11 – 15. Thirty nine children (ages 4 – 12) participated along with 7 middle/high schoolers volunteering as assistant crew leaders. Five days of “making waves” with faith-building songs, games, science experiments, videos and snacks enabled 46 children to leave Shipwrecked VBS knowing that there is Someone bigger than their struggles, Someone stronger than their weakness, Someone who loves them unconditionally . . . Jesus!

At “Shipwrecked – Rescued by Jesus”, we challenged and inspired the children to serve God by serving people and organizations in the world and our community. The children brought in offerings for a World Vision project – Operation Kid to Kid, “Growing God’s Love in Haiti”. We collected \$480! Every \$10 collected will provide drought-tolerant seeds that will feed a child for a year. Our local community outreach was for Jensen Beach House of Hope. Each day the children brought in canned/boxed food items for the House of Hope Food Bank, filling an enormous box to overflowing.

Friday was an especially busy day. We extended the day until 2:00 in order to have pizza and inflatable water slide fun on the church lawn. We added something new, too. Friday night from 6 – 8 we had a delicious BBQ dinner with over 90 people attending, including many VBS families, volunteers and members of All Saints’. The parents were able to hear and see what VBS was all about. Plus, the children were happy to sing and do the motions to the contemporary worship songs they learned during the week.

NONE of this would have been possible without the support of you wonderful Saints of All Saints’. Your individual monetary donations are so appreciated along with donations from Women’s Fellowship, All Saints’ Endowment, and the Bingo Ministry. More importantly, your time and talent enabled Shipwrecked to be the amazing faith-building event it was for 46 children! Over 35 “Saints” volunteered by decorating Houg Hall, shopping, cooking and offering support as a teacher, crew leader or assistant every day! Thank you! Thank you! Thank you!

All Saints' New Church Sign

Our new sign is up and already bringing in new people! One new visitor said, "I saw the sign! I didn't know you were up there!"

As of this writing, the electricity still has not been connected yet. The weather has made it difficult for projects to be completed on time but Electrical Connection has promised they will complete their work as soon as possible.

Louise Andrews, our Master Gardener, has already begun planning the landscaping for the sign which will be completed once the electrical connections have been made. We'll accept all offers of help when the planting begins!

Phase 2 will begin in July when I go to zoning for a Variance Permit. Our sign is currently at the maximum allowed height of 6 feet and adding the decorative cross trim to the sign will put it 1 foot 4 inches over the height limit. So, a permit is required with many required steps: 1. Get a new survey. 2. Mail a return receipt requested survey letter to all businesses and residents living 1200 feet/yards (not sure which) from the sign to get everyone's permission to add the trim. 3. Present our petition to the zoning board and pay \$690. Lots to do!

I want to thank everyone again for your many contributions which made the sign possible. You all are a blessing to All Saints' Church! And now EVERYONE who drives by knows who we are!

Karen Neff – Sign Committee Chair

All Saints' Women's Fellowship

Just another reminder about All Saints' Women's Fellowship Holly Fair 2018 on November 17 and 18. Our Bake Shop filled with delicious treats, Christmas Shop overflowing with Christmas crafts and decorations and our FABULOUS Silent Auction will once again be a part of this fun event. This year the silent auction will only be for 1 day, Saturday, November 17th, instead of two days. So, start searching through your Christmas decorations (hopefully stored in an easy-to-get-to storage closet), your jewelry, art, glassware, gifts you received but don't really need or want, sporting equipment etc. that you would like to donate for our silent auction. We can store them right away for you in the St. John room.

Our next meeting for Women's Fellowship will not be until September 15th. I hope everyone is enjoying their summer travels and I'm looking forward to everyone's return! October 20th will be our annual Welcome Back brunch.

For those of you who haven't been able to attend our meetings yet, I hope you will be able to this Fall. Not only do we have fun but it is a rewarding way to give back to the church and community.

Karen Neff – President All Saints' Women's Fellowship

Sunday School

All Saints' Children's Christian Education

There are no Sunday School classes during the summer due to summer vacations and travel. The nursery, however, remains open for little ones. Melissa Kolaci is back from college and will be filling in as our Nursery School teacher during the summer after Tia leaves.

We will miss Tia Cox, our current nursery caregiver/teacher, who volunteered to man the nursery this past year. She did a wonderful job and all will miss "Miss Tia"! We wish her God's blessings and much success at UF!

If you know of anyone, teenager (with experience) or an adult, who would be interested in being our Nursery School attendant this Fall, please let me know or have them call me. (561-758-5276) We pay \$30 for each Sunday. (9:30 – 11:30)

Karen Neff – Children's Christian Education Director

FINAL MEN'S FELLOWSHIP MEETING OF THE YEAR

By D.J. "Jaime" Henderson, Jr.

It was a beautiful Monday evening as the Men's Fellowship went on the road to the Prawn Broker Restaurant, between the bridges in Stuart.

It seemed that the entire Men's Fellowship turned out for the event. It should have been filled with melancholy as the meeting represented the end of the 2017-2018 year for the Fellowship and the end of the Father Frisby era. The energy in the room, however, was vibrant.

Father Frisby was seated in the center of the long collection of tables. He was able to chat with all the members of the group, even with those at the remote ends of the setting.

Deacon Alan provided the pre-meal blessing, at the request of Father Frisby. Thus, the celebration kicked off. Conversations began with topics ranging from sharing memories to inquiries of the members' current events. The meals across the tables ran from beef and chicken dishes to pasta and seafood offerings.

Sonny Gowan was assigned to photograph the tables, so that the Fellowship and the Congregation can remember this spectacular event. Be on the lookout for those photos.

Father Frisby spoke from the heart as he thanked the Fellowship members for all their support of himself and his family. He truly enjoyed being with the group and will miss us terribly.

This meeting did not just represented endings, but beginnings as well. Sam Black was once again elected President of Men's Fellowship, for the 2018-2019 year. "Uncle" Fred Siddons was re-elected as Treasurer. The Fellowship will meet again on the first Monday of September.

Parish Cycle of Prayer

Did you ever wonder where the Parish Cycle of Prayer list came from?

I did, so I asked our bulletin editor, Jorge Palacio. He said a formal cycle wasn't followed. After a discussion, I assured him we'd give him some help with this. As "we've never done it this way before" and as a trial run, a draft cycle of prayer was sent out to the Vestry for suggestions. What you see is a result of their input and will get us through the next year. Publishing this list will surely show that we've forgotten some aspect of our ministry. Please send me **your** input to the Parish Cycle of Prayer, if we missed any ministry at All Saints'.

By the time we get our next priest we will say, "We've always done it this way."

Candles have long been a tradition in churches throughout the world. What a comfort it is to know that somewhere a small flame is burning in honor of a loved one.

In the lighting of candles, we remember and truly live the words of Our Lord: "I am the Light of the World." In the lighting of candles we not only pray, but our prayers become smaller symbols of the One Light of Christ. Lighting a candle is a way of extending one's prayer and showing solidarity with the person on whose behalf the prayer is offered.

Even though the candles are small, they will burn for 6 hours and not break the glass. Please do not be afraid to light a candle. They represent prayers said and look beautiful!

Recovery Ministry of All Saints'

"The Recovery Ministry of All Saints' Church extends our hand to you, or your loved ones, who are sick and suffering and in need of recovery. If you feel alone or in despair with nowhere to turn, there is a way out. A simple call to 407-325-9028 will put you in touch with a fellow church member who understands. All calls will be held in strict confidence and your anonymity will be protected.

In the love of Christ, we pray for you to have the courage to ask for help."

Thank you,
