DEACON'S REPORT

As many of you are probably aware, I am going back to Martin Correctional Institution this month from Thursday, March 15 to Sunday, March 19 for another Kairos weekend. We hope to have 36-42 residents in our candidate group to whom we will be ministering. This program is an in depth Christian experience for these men who are among the most rejected people in our society. Most of them rarely have visitors or outside contacts of any kind. Some of them have been in prison for over 20 years. They really do actively participate and derive unbelievable benefit from this experience where they learn God loves them too. Their lives are completely changed.

If you can help us in any way, either financially, saying prayers for us or even doing a poster, the prisoners and I would very much appreciate it. The objective of the entire weekend is to help them learn about Christ and have him be a part of their lives through prayer and share groups at the prison. We return monthly to have reunions with them on the third Saturday of each month.

In addition to this, I continue to see people both from our church and the local community to offer financial assistance through the TRUE FUND. The church gives some financial assistance to help people pay for rent or utilities when they have exhausted all their income. The amount we give is limited to \$150 once a year, but sometimes that is just enough to tide them over when they have had unusual financial problems. We help them get food, if necessary, and refer them to other agencies that can supplement what we give. Thank you all for your continued contributions to TRUE. So many of you give regularly to this ministry.

I continue to provide pastoral care to all who are unable to come to church due to their age or disabilities when they are in a facility (assisted living, nursing home or rehab facility). We take them Communion and offer prayers and just friendly visiting. Janet Kempf and Bill Winseman are also Lay Eucharistic Ministers. We can always use more volunteers to help with pastoral care. Let me know if you're interested.

In God's love,

Deacon Alan

Notes & Notifications from the Parish Administrator

Dear Sisters & Brothers,

March 4, 2018 will be remembered as a glorious day for All Saints'. Our dear Father Frisby will be back with us. His journey of recovery has been difficult and long, but the road ahead is much brighter.

Mother Allison Spencer and Father Steve Fregeau have been marvelous to be here with us during these unsure times and all of us share a deep appreciation of our Senior Warden, Buddy Glover, who stepped right up to the plate with commitment, hard work, with a deep devotion for Father and, as usual, his unselfish dedication to our parish.

Most of us have felt the loss and uncertainty surrounding Father Frisby's absence and I presume it is inevitable that when stressful events occur in our lives, human behavior is impacted. I would ask as we lift up our prayers of thanksgiving for Father's continued recovery and return to us, that we also pause for just a moment and recognize that we are all children of God and so extremely blessed to be a part of the All Saints' family. Certainly, none of us is without concern, but somehow through that uncertainty we have faced for the past two months, with Father away and, perhaps, the somewhat vagueness of our future as we face the dreaded task of the transition of the ministry here. We seemed to have lost some of the very characteristics that make the Saints of All Saints' so uniquely special.

Please remember that it is our devotion to God, our compassion for others, our open hearts and the recognition of our common suffering that binds us together.

**With great appreciation & blessings,
Karen**

Holy Week At All Saints' 2018

Palm Sunday-March 25

8AM & 10AM-Liturgy of the Palms and Holy Eucharist

At our 10:00 am service, we shall host the Liturgy of the Palms outside Houg Hall, moving into the church for the rest of the service. This is the wonderful liturgy with both congregations reading the Passion that takes us from the height of the triumphal entry into Jerusalem to the pit of despair.

Holy Monday-March 26 & Holy Wednesday-March 28

We shall host services at 10:00 am on Monday and Wednesday during Holy Week. (Clergy will be at the Blessing of the Oils at the Cathedral on Tuesday)

Maundy Thursday-March 29

6:00 PM-Proper Liturgy-and watch-Agape Meal

At this celebration, we commemorate the first Eucharist and the events which follow, including the washing of feet. Immediately following the service, an Agape Meal will be served. Returning from Houg Hall to the church, the Watch at the Altar of Repose follows. This act of prayer and presence calls us to watch with our Lord for one hour, as the disciples were requested to do in the garden; however, we are called to stay awake...There is a sign-up sheet on the Houg Hall bulletin board to participate in the Watch.

Good Friday-March 30

The Proper Liturgy For Good Friday

10AM & 6PM Stations of the Cross

This service is stark and points out the pain of the Passion and our solemn observance of it... The service is characterized by the administration of the Sacrament from the Reserved Sacrament.

All the hosts are consumed and the tabernacle is left open and the candles extinguished to remind us that this time is when our Lord was not with us.

Easter Day-April 1
6:30 AM-Sunrise Service

We begin our joyful celebration of the Resurrection with the first Eucharist of Easter at the Conkling Cross, facing the water and the rising sun.

8:00AM-Easter Day

The 8:00 am Holy Eucharist will not be accompanied by the organ and will be followed by an Easter Morning Coffee Hour after the service. The quiet of the morning and the scent of lilies are offered during this service of Holy Communion.

10:00AM-Easter Day

Our Senior Choir and Organist/Choir Director will lead us in worship with their excellent music, as the children bedeck the “Mite Box Cross” with flowers. After the children “discover” the buried “Alleluias”, we shall receive communion and then join the children for the festivities in the garden. The glorious celebration of our lives together in the Risen Christ will begin a fifty-day season of explosive joy.

HOLY WEEK MUANDY THURSDAY AGAPE MEAL SPONSORED BY THE ALL SAINTS' DAUGHTERS OF THE KING

Holy Week Services are held to help each of us 'experience and understand' the most important time in our Episcopal Church year. The 40 days of Lent leading up to our Lord and Savior's Passion prepare us for the 'great celebration' of His resurrection on Easter morning.

This year's Maundy Thursday Service begins in the Sanctuary at 6:00 PM and will be followed immediately by an 'AGAPE MEAL' offered at no charge for all people attending the service. As the 'foot washing' part of the Service draws to a close, members of the All Saints' Chapter of the Daughters of the King will present wine and bread to be blessed by the Priest at the Altar.

We then all process into Hoag Hall for a simple but ample meal consisting of foods reminiscent of what our Lord would have shared with His disciples. We will share bread, wine and/or water, olives, nuts, dried fruits and cheese. During this meal, parts of the 17th Chapter of John's Gospel will be narrated. This is often referred to as "Christ's high priestly prayer to His Father" and tells of our Lord "turning BACK into God's care all those whom He has loved during His life on earth". After the meal, those who wish may return to the Sanctuary to become a part of the 'waiting' at the Altar of Repose as the Disciples 'waited' on our Lord as He went to the Garden at Gethsemane to pray.

Your All Saints' Daughters of the King pray all will have a meaningful Holy Week.

Virginia Hans for the All Saints' Chapter, DOK

Peering Into the Past

Before the 2017 renovation, at the top of the stairs to the choir loft, there was a small plaque which read: "CHOIR LOT RENOVATIONS GIVEN IN THANKSGIVING -----FOR THE MUSIC MINISTRY OF JOHN FULTON--ALL SAINTS CHOIR 1995."

The News Tribune, Fort Pierce, Florida chronicles the success John Miller Fulton had in high school and college as a musician. He was shown as participating at a large number of weddings in the 1950s. He was a graduate of Stetson University School of Music, Deland FL with a degree in music.(1) By November 1958, comments on the 'fine work of the new organist-John Fulton' were made in the Vestry minutes. As a member of the vestry, he attended the Special Diocesan Convention in October 1961 and participated in the election of the bishops when the diocese of South Florida split into S.E and SW.

He resigned in June of 1962 his position with All Saints' to be the organist and choir director at St. Mary's, Stuart, FL. The Vestry accepted his resignation with sadness as his resignation was just a few months after the resignation of our first Rector, the Rev. Allen Purdom.

A confirmed Episcopalian, he transferred into All Saints' from St. John's Cathedral, Jacksonville and was added to the rolls at All Saints' on 11 August 1969.(2)

On March 8, 1976, he married Carolyn (Sammis) Fitzgerald (3) late in life, a woman with a wonderful voice. She brought him a son, Patrick Fitzgerald, whom John adopted, and together they had a daughter Rachel. Rachel, like her mother, was gifted with a great voice and sang with the Martin County High School group "Opus," and graduated from Florida State University. Rachel is a life-long friend of Megan Morris. This marriage, unfortunately, ended in divorce.

John Fulton Day was celebrated on Trinity Sunday June 1, 1986 at the 10 a.m. service for his 25 years of service with a gift check of \$250 and reception. He was the organist when the organ was in the north transept, when the altar was pulled from the back wall; when the organ was moved to the back of the church at the first expansion and eventually moved up to the choir loft.

John died just days before his 60th birthday on **7 December, 1994**.(4) The papers read "Funeral Services were held Monday, December 12, for John Miller Fulton beloved organist for All Saints' Church. Over three hundred of his co-workers, friends and family attended the funeral and graveside service following." The Altar Guild gave a white set of celebration paraments, a super frontal for the altar, and pulpit and lectern hangings. These were given in his loving memory and were first used at Christmastide and are still in use today.

In **January 1995** funds were collected in his memory to renovate the choir loft with the 2nd expansion of the church building, hence the small plaque. (5)

On Palm Sunday, **March 31, 1996** at 4:00 p.m., there was a "Service of Dedication for a new Allen Organ in honor of Elizabeth and Emmett Seery and Our Renovated Choir Loft in Memory of John Fulton, followed by an organ recital performed by Marilyn Brown, B. Mus., A.G.O." The money was from the Seery trust fund. **This organ is still in use today.**

John's headstone reads 1934 – 1994 "Bless the Lord O My Soul". He is buried with his parents, brother Ben and sister-in-law Clara in All Saints' Cemetery.

NEWSPAPER—MONEYMAKER

We have had a long-standing tradition of bringing our newspapers to church and putting them in the proper dumpster at the West parking lot.

This is just a reminder that doing this helps the church financially. We get paid for the newspapers.

Thanks for your assistance!

Thank you to everyone who purchased one or more Enjoyment Books. The net total was \$1,127. This will be added to Women's Fellowship Outreach Programs.

All Saints' Children's Christian Education

During the Lenten Season, we think about Jesus' fasting, sacrifice and death. It is a time to prepare for the holiest day of the year and to think about how we can be closer to God. We have created a Lenten Tree for the K – 6th grade classrooms. We've talked about Jesus' walking in the desert, the preparation he experienced, so we will be "walking" with Jesus and thinking of ways we can be closer to God. Each week the children will be given a cardboard "footprint" to take home. They are to think of what they can do during the week that would bring them closer to God and write it on the footprint. On Sundays we will hang their footprints on the tree. Mite Boxes will also be distributed so the children will have the opportunity to sacrifice for others. Instead of buying that favorite toy or candy, they will have time to think about ways their money can be spent to do God's work. On Palm Sunday we will be hearing the story of Jesus' entry into Jerusalem, His death and His resurrection.

Easter Day will be met with celebration! Mite Boxes will be brought back to church on Easter Sunday filled with their offerings for the Christian Children in Jerusalem. The children will also be asked to place flowers on the Easter Cross. After the 10:00 service, all children are invited to take part in our annual Easter Egg Hunt, so make sure your children bring an Easter Basket to church.

February 4th was an exciting and memorable day for Mary Rose Morris and Isabella Sosa. After many weeks of classes, they received their First Communion. With both their own family and church "family", they joined in the experience of receiving together the Bread and Wine that is the Body and Blood of Christ. Coming to the Table has added a new dimension to their world.

Vacation Bible School is just around the corner. Hard to believe, but time to start the planning! We haven't officially chosen the theme yet, as we need to make sure we have enough volunteers to help out with pre-VBS decorating and actually helping out during VBS. The date for our week of celebration is the week of June 18th – 22nd. PLEASE LET ME KNOW IF YOU CAN HELP FOR THAT WEEK FROM 8:45 – 12:00. WE CAN'T DO IT WITHOUT YOU FABULOUS VOLUNTEERS! THANK YOU IN ADVANCE!

All Saints' Women's Fellowship

All Saints' Women's Fellowship has been very busy since the beginning of 2018! On January 20th we held our annual High Tea under the leadership of Iris Langran with the theme "Alice in Wonderland". Diane Dougiello, master of creativity, turned Houg Hall into a "Wonderland" setting complete with a rabbit hole entrance, singing flowers on the wall, a hookah-smoking caterpillar, Addison McGee as Alice, Pat Sacco as the Always-Late-Rabbit, Bill Smith as the Mad Hatter and Iris as the Queen of Hearts – all dressed to the nines with fabulous Dougiello-Designed costumes. A menu of hot tea, tea sandwiches, scones with jelly and clotted cream, cookies and trifle made for a delicious event and a great fundraiser with 96 people attending. Our guest of honor was Bishop Peter Eaton. He couldn't believe the magnitude of our tea for our little church and had a ball!

Our February meeting was our first one since October due to all of the special events we've been involved with each month. Paul Neff was our guest speaker. He presented a talk about the long-range planning committee which then led to the formation of the Capital effort. Beginning with surveying the congregation for their thoughts on how to best realize the potential of our church moving towards the future, to the final prioritized list of specific items related to the health, welfare and safety of our congregation and our campus-wide facilities. It was very informative and enjoyed by all.

We also voted on appropriating some of the funds we have made this year through our fundraising efforts – the Holly Fair, Bake Sales and the High Tea. Monies were appropriated to Father Frisby's Retirement Party, Deacon Allen's travel fund, Trumpet expenses, a new microwave for the Houg Hall kitchen, Vacation Bible School and a "secret" project. Next month we will make final decisions as to where to appropriate the rest of our funds. Do you know of a local non-profit organization that could use a donation? Do you have any specific All Saints' projects that you would like to see financed? Let us know! Email me (Gatorcabin@aol.com) so I can get it on the agenda at **next month's meeting, March 17th**.

Women's Fellowship will be helping Men's Fellowship with their BBQ on Saturday, March 10th from noon – 4:00 by baking brownies, cookies or cornbread for the fun event. If you didn't have the opportunity to sign up at the WF meeting you can still bake and bring the dessert to Houg Hall that Saturday morning. We hope everyone will be attending! Besides having a delicious "Home Cooked" barbecue meal, you'll have the opportunity to view a collection of Classic Cars. Be sure to buy your tickets ASAP!

See you at our next meeting!! March 17th, 9:30, Houg Hall!!

Latest Update on the New Sign for All Saints' Church!

Currently our new sign is sitting in “zoning” awaiting permitting. Between a new computer system being installed in the zoning department, thus no one could log in for a few days, to the wrong picture being sent to the zoning department from our sign company, let’s just say . . . getting a zoning permit is not an easy task! I am gently checking on it every day and hopefully we will soon receive approval leading to installation. I was hoping for a “Before-Easter” goal but this will probably not be the case. Meanwhile, thank you for your continued support!

Karen Neff

My family and I want to thank everyone who helped make the planting of the tree in Stret's memory come to fruition. Also, we wish to thank those who were present to help in person or in spirit celebrate this special occasion.

Gardening at All Saints, 2017.....by Louise Andrews

2017 gardening year seemed to pass very quickly!!! Could it be due to the continuous fluctuations in our weather? I do believe that “Weatherwise,” our **All Saints’ Church Gardens** were really stressed by the very unusual and extreme weather conditions. During our dry season (winter and spring), rainfall was less than normal and winds often prevailed. Fortunately, our sprinkler system provided the plants’ watering needs. Being high up on a sand dune, the wind does tend to pull moisture from the plants. Many thanks to **Paul Neff Jr.** and **Bill of Celtic Landscaping** for repairing and tweaking the sprinkler system, pro bono. The **All Saints’ Cemetery** has their maintenance contract with **Celtic Landscaping** who edge and mow our Gardens as a provision in their contract at no charge to the church. Also provided through **Deborah Chant**, Office Manager of the Cemetery, and her assistant, **Michelle Carr**, the Gardens’ cabbage palm trees are trimmed as well at no charge to All Saints’ Church.

This past year required much weeding, edging, trimming, mulching and replacing plants unable to survive the extreme conditions. Funds for September 10th **Hurricane Irma** hit the garden. All Saints’ members cleaning debris in the the major debris off the church property as

Throughout the year **Bart Cleveland** worked to get water back into the pond which has also been covered with algae and bacteria. In addition to the **elodea** currently covered with **water lettuce** (*pistia*) plants help balance the fish environment by absorbing nutrients from fish waste.

It is with much sorrow that **Stret Whitting** passed over to be with God. The Gardens greatly miss his quiet, always behind the scenes touch! To commemorate him and be reminded of his many good works, a **Tibouchina tree** was planted in the Church Gardens with the assistance of **Ed** and **Ben** who work for **All Saints’ Cemetery**. You may not know that Stret loved orchids. The **Tibouchina tree** has beautiful purple flowers throughout the year but most prominently during the spring season of his passage. The placement of a Plaque and a Memorial Service will be held honoring Stret on January 14th after the 10 AM Mass.

Many thanks to everyone who greatly contributed to the maintenance of our Church Gardens.

ALL SAINTS' CHAPTER of the ORDER of the DAUGHTERS of the KING

February begins with the DOK meeting on Monday, the 5th in Coffey Hall with social time before our meeting which begins at 6:00 PM. The meeting will be called to order promptly at 6:30. We ask all our member Daughters to strive to be in attendance.

"Time flies" seems obvious this month as the Season of Lent begins on Ash Wednesday, which is also Valentine's Day: Wednesday, the 14th of April. The 40 days of Lent is a time for reflection, self-examination, penitence and fasting, rather than 'giving up something

for Lent, many prefer to 'add' spiritually centered activities such as additional daily prayer time, religious reading, meditation time or Bible study. Whatever your personal choices and observances, the DOK pray it will be meaningful for you.

Lent is actually longer than forty days (it is 46 days according to our calendar) because Sundays are always considered feast days (even during Lent). The six Sundays of Lent are discounted when considering the length of the Season. Most people find it easier to continue their Lenten practices on Sundays, but it is not required. Festive events, including weddings or baptisms are discouraged during Lent. Historically, the Great Vigil on Holy Saturday was when people were baptized, after having prepared themselves for this Sacrament during Lent. This has changed in the modern Church.

One definition of prayer, found on page 856 of our Book of Common Prayer is: "responding to God by thought and by deeds, with or without words". We all may want to consider that most of our lives are spent responding to the world around us and while God is present in our world, responding to God in a focused way is more likely to occur if we are intentional about it. Lent gives us an opportunity for this. May you be blessed this Lent as you prepare for the celebration of His Resurrection on Easter.

candles has long been a tradition in churches throughout the world. What a comfort it is to know that somewhere a small flame is burning in honor of a loved one. In the lighting of candles, we remember and truly live the words of Our Lord: "I am the Light of the World." In the lighting of candles we not only pray, but our prayers become smaller symbols of the One Light of Christ. Lighting a candle is a way of extending one's prayer and showing solidarity with the person on whose behalf the prayer is offered.

Even though the candles are small, they will burn for 6 hours and not break the glass. Please do not be afraid to light a candle. They represent prayers said and look beautiful!
