## The Feast of St. Mark, 2018

**Beloved in Christ,**

**As a student who majored in history, both in undergraduate school, as well as in seminary, I am indebted to the Holy Spirit and you all for calling me to serve at historic All Saints' Church, Jensen Beach. As I look back to the parish churches I have served, only one was developed in recent time. I began my journey with my father's church, St. Luke's Church, Richmond, Virginia (1770s) and then on to being a Curate at Trinity, Portsmouth (1780s). I moved to Christ Church, Binghamton, New York (1810), where I served for a decade and then on to Holy Trinity, West Palm Beach (18 ). I conclude my tenure as Rector of this wonderful Station in Paradise (1893).**

**Therefore, you can imagine what delight I experienced at our wonderful evening of "Recognizing Our Heritage", hosted by our Heritage Society. Bob Taylor writes in this month's Trumpet of the ladies dressed in the era of "The Roaring Twenties" and "The Depressing Thirties". Photographs of All Saints' during the War Years of the '40s were plentiful and Joyce Fletcher Menard amused us as a Lady of the 1950's. Our Administrative Hall, better known as "Coffey Hall", was built during the era of the 1960's, while no one can forget the exciting arguments about the proposed prayer book revisions of the 1970's; prayer books residing in Houg Hall as well as the nave of the church.**

**This brings us to the 1980's, reflected by the "Computer Age", displayed by the modern office equipment installed during this decade. The nineties were the years when we extended the nave of the church and the turn of the century is when I arrived as a supply priest.**

**Change, change, and more change...yet, we not only survived, but flourished. Therefore we should not worry about what lies ahead of us after my departure as the Seventh Rector of All Saints'. God will provide! Does this mean there will be no tears? Of course not! God gave us tears to use and I'll share many with you. Nonetheless, all is well and God will shower us with continued blessings.**

**Pax,**

**W. Frisby Hendricks, III**

## DEACON'S REPORT

I know we are all saddened by the departure of our rector this month and we all wish him well in his future as a retired priest. We will continue to carry on without him, as he has left us such a great legacy which will help our church to continue to be a church of great quality with great ministries.

I do plan to stay at All Saints' and continue to do all the diaconate work I have done for the past 10 years.

I will continue to do all my prison ministries which are extremely important to me. I am at the prison every Thursday afternoon heading a very spiritually open Bible and prayer study group during which I give Communion to all Baptized Christians. They really appreciate that. I have 5-10 residents who come every week and many others who stop by to see me individually. I have recently been given a certificate for all the work I have done at the prison by Chaplain Green. I think the Christian Ministry at MCI is one of the few helpful programs at the prison. We have well over 100 Christian volunteers who minister to the inmates there.

I also continue to administer the TRUE Fund which many of our parishioners do not know about. It was developed many, many years ago to help members of our church and community meet unexpected financial emergencies. Many of those in our church are on marginal incomes and when an unexpected repair happens, they have no money to pay their bills, rent or utility bills. We are able to help these people with \$150 once a year to pay these bills. Our funds are fairly low now so if you can help us financially with a contribution we would greatly appreciate it. We give over \$3000 every year to people. Contributions from parish members is our only source of funds. Thank you for all you do to maintain this very helpful ministry of our Church.

I also coordinate pastoral care so that everyone who is sick, either chronically or acutely, is contacted and given visits including Communion if they wish. Twice a year we give homebound residents poinsettias and Easter Lilies during Christmas and Easter Seasons.

One more new ministry I'd like to mention is Faith in Florida, an interfaith group. I recently attended a meeting which plans to not only help individuals in Florida, but to develop plans to help with the broader community problems of homelessness and improving our prisons, helping people released from prison who have completed their sentences and are able to vote. The focus is on bringing justice to all Floridians regardless of who they are: Black, White, Hispanic or those of any religious faith. There were representatives of all Christian and Jewish groups present.

In God's love,  
Deacon Alan

## **Peering Into The Past**

### **The Christie & Mackey Families - Founders of St. Monica's**

From interviews conducted and recorded by Sandy Thurlow in her Sewall's Point book, she tells of the Willie Christie family- a family of Bahamian heritage. The Christies and another family by the name of Mackey worked on the plantation of A. L. Andrews on Sewall's Point.

These two families were raised in the tradition of the Church of England and worshipped in that tradition in their homes on Sewall's Point. These two families are to St. Monica's like the Racey and the Willes families are to All Saints', as these families are the nucleus of these respective parishes. St Monica's continuous service as a mission of the Episcopal Church predates St Mary's. While Stuart had several fits and starts to begin an Episcopal church prior to St Mary's coming to fruition, St Monica's has persevered as a living presence as it does today. As many of you know, their ministry continues to serve a Caribbean immigrant population.

As black families living on Sewall's Point since their arrivals in 1898, they never owned any property or home. Sandy tells us the Christies lived continuously longer than any family on Sewall's Point and moved to "the ridge north of Jensen Beach" finally in 1958, after some sixty years. Now where is the northern ridge? It was called Tick Ridge. Today, if you turn north at the CVS Pharmacy on Jensen Beach Blvd., you will be there. You will find the other cemetery in Jensen Beach, Washington Memorial Cemetery. When the Martin County Schools were integrated another 10 years later, that is where the "colored kids" came from. I went to school with them.

While all the Mackey's buried in Jensen Beach are in the Washington Cemetery, some of them are buried here at All Saints', again connecting the two congregations.

**Honorable Karen Smith, Administrator  
All Saints' Episcopal Church

**Dear Karen:**

**How SAD Mark and I are that this day has come!! We, as two members of All Saints' Episcopal Church, are so very grateful and honored at the twelve years you have given so freely and with much sacrifice to our wonderful church. It is our honor and pleasure to have had the many blessings of your friendship and devotion as a great friend, and a huge influence in our lives, as well as your devotions to the life of the church and to its prosperity and to its success!**

**We were especially grateful for your efforts in allowing our wedding to be the first of its kind at All Saints' Episcopal Church on Saturday, October 10, 2015 during its one hundred twenty-second year serving Martin County!**

**We know of Father Frisby's dependence and gratitude for your many services to his ministry because of the many things he expressed to us so often. It has been such an honor and privilege for our almost twelve years with this wonderful church to have coincided with your twelve years and with Father's outstanding ministry.**

**Please accept our fondest blessing for your future and for the future of our church.**

**Lovingly yours,**

## **Heritage Banquet “Historical”**

**Sixty existing and new Heritage Society (endowment) members attended the 10<sup>th</sup> annual Heritage Society gala banquet on Saturday evening, April 14th. The theme for the evening was “Recognizing Our Heritage, a crowning achievement: the listing of our church on the Martin County Historic Register.” The gourmet dinner featured a choice from three entrees.**

**Five new members added their “leaves” to our Tree of Life in Houg Hall (created by artist Pat Curtis ten years ago). New members added were Sam Black and Doug Black, Ralph and Mary Painter and Lorraine Devereaux. The fund has grown to over \$180,000 with 77 living members and 10 in memoriam. A contribution to the Vacation Bible School was announced. Contributions can only be made from fund earnings for non-operating expense purposes with the intent to grow the church.**

**Under the decorating committee of Diane Dougiello, chairman, Wanda Beymer and Barbara Taylor, Houg Hall was transformed into a museum of donated vintage collectibles covering the period of our church’s existence with several attendees dressing “to the period” – Diane and Wanda won the prize (flappers). The program culminated in the sanctuary with a fun and fascinating history of our church presented by Joyce Fletcher Menard taking on various parts (e.g. an early rector’s spouse). Julie Preast explained the onerous requirements that had to be met with joint efforts from Joyce, Julie, Paul Neff (for needed architectural depictions and history) and the Diocesan Chancellor of the Bishop and gave an interesting insight into what will be required going forward (National Register listing) and the importance of the designation . The plaque will be formally dedicated on May 13<sup>th</sup>.**

**Any parishioner can join the Heritage Society in a variety of ways – through monetary contribution or pledge or in several testamentary ways.**

## **All Saints Announces \$271,000 in scholarships to Jensen Beach High School seniors**

The LeDuc-Sirote Committee presented a total of \$271,000 in college scholarships to 18 deserving seniors at Jensen Beach High School Award Night on April 23<sup>rd</sup>. The committee, composed of Bob Taylor, chairman, Joyce Arthur, Wanda Beamer, Virginia Hans, Father Frisby, Marylee Johnson, Adrienne Sacco, Barbara Taylor and Joan Whitting, reviewed scores of applicants and interviewed twenty-five students. Depending upon the scholarship, the criteria can include academic record, service to community, school, or church, essay content, obstacles overcome, financial need, character and commitment, and/or work experience.

All Saints' is proud to be the largest sponsor of scholarships for graduating seniors at our community high school. The program started from a loans for students program established by the estate of Florence Leduc, in memory of her husband Henry Sumner Leduc, in 1976. Gladys Waaler made the Leduc Fund a beneficiary of her endowment in the 1990's. The loan program was converted to a scholarship program in 2004, and in 2005, the first scholarship was given to a senior at the newly opened Jensen Beach High School. The Sirote Foundation partnered with the program in 2015. All Saints' has now announced over \$1 million in scholarships to seniors at Jensen Beach High School since 2005.

The **Sirote Charitable Foundation**, founded in 2002 by the late Stanley Sirote, awarded six \$40,000 scholarships under its Scholarships for College Program (each award is \$10,000 for 2018, renewable for three additional years). The self-sustaining Sirote Charitable Foundation began granting scholarships in conjunction with All Saints' in 2015 because of the founder's fondness for Jensen Beach, where he had a vacation home for over 40 years. The most influential factors in the selection of the Sirote awardees are Mr. Sirote's personal values: honesty, integrity, vision, and evidence of hard work pursuing specific goals.

The **Henry Sumner Leduc Fund** awarded \$31,000 in college scholarships to 12 Jensen Beach High School seniors. Five of the scholarships are renewable for two years and seven are for one year. Distributions from the Leduc Fund as well as grants from the Gladys Waaler Foundation are used for these scholarships and they also include the annual Tony Langran Memorial Scholarship Award stressing dedication to a faith based life, won this year by Madelyn Parker. The criteria utilized in selecting the recipients may include academic record, essay content, obstacles overcome, effort in school, civic or religious activities, personal characteristics, and / or work experience, as well as a personal interview.

Leduc/Sirote fund chairman Bob Taylor (presenter), Father Frisby Hendrick, and Marylee Johnson (presenter) are pictured surrounded by Leduc scholarship recipients (alphabetical): James Beard, Mariead Brady, All Saints' own Tia Cox, Casey Foster, Alexis Guerra, Briann Laventure, Kayla McDonald, Savannah Nardone, Madelyn Parker (the Tony Langran Memorial Award winner), Sheneicia Roopnarine, Kiara Turgeon, and Madison Wnok; and Sirote Scholarship recipients (alphabetical): Jenna Johnston, Jenna Paton, Zach Seidle, Cameron Soviero, Zachary Soviero and Dimaggio Tucci.

# South Fork High School Seniors Receive DeFiore-Glover Scholarships with Glee

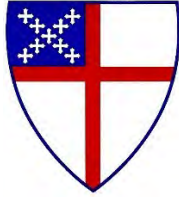

Amidst excited cheers and prolonged applause, eight seniors from South Fork High School rushed to the stage of the school's auditorium to receive scholarships handed to them by Buddy Glover, Senior Warden of All Saints' Church, Jensen Beach.

The Scholarships were given in thanksgiving by Mr. Glover in memory of his partner of fifty-two years, Donald DeFiore. Since 2011, over \$60,000 in scholarships has been awarded in his name

These scholarships will enable the students to enroll in college. Some of the recipients will be the first in their families to be enriched by a college iinexperience.

## All Saints' Women's Fellowship

All Saints' Women's Fellowship met on April 21 and much was accomplished! Diane Dougiello (via the phone) gave us an update on the plans for Father Frisby's retirement party. Please be sure to sign up as reservations must be made in order to attend this very special event.

The main focus for our meeting was allocation of funds earned from this year's fundraising. We voted and decided that the bulk of our funds should go to the repair of the Houg Hall roof. This is part of the Capital Funds campaign and because Houg Hall is used for all of All Saints' special events and celebrations, we felt our contribution towards its repair was very important. Other designated funds will be going to the True Fund, this Fall's WF Holly Fair publicity, supplies for our Bethany House Ministries and money towards cakes for Baptism, 1<sup>st</sup> Communion and Confirmation celebrations. Major donations have also already been made to Vacation Bible School, All Saints' new sign, the new kitchen stove, and Deacon Alan's travel expenses. Thank you again to everyone in Women's Fellowship who helped with all of our "fun" fundraising!

By the way! Speaking of fundraising!! The dates have been set for All Saints' Women's Fellowship Holly Fair 2018. It will be on November 17<sup>th</sup> and 18<sup>th</sup> complete with our Bake Shop filled with delicious treats, our Christmas Shop overflowing with Christmas crafts and decorations and our FABULOUS Silent Auction. This year the silent auction will only be for one day, Saturday, November 17<sup>th</sup>, instead of two days. So, start searching through your Christmas decorations (hopefully stored in an easy-to-get-to storage closet), your jewelry, art, glassware, gifts you received but don't really need or want, sporting equipment etc. that you would like to donate for our silent auction. We can store them right away for you in the St. John room.

May 6<sup>th</sup> will be Scholarship Day at All Saints'. The members of the Women's Fellowship will help host a reception after the 10:00 service to welcome the scholarship recipients and their families. There will be 25 amazing students receiving scholarships and we hope everyone will be able to greet and congratulate both the students and their parents.

The next meeting for Women's Fellowship will be September 15<sup>th</sup>. Our Snowbirds have already started their trips back up North and we will patiently await their return. Hurry back!

October 20<sup>th</sup> will be our annual Welcome Back brunch. For those of you who haven't been able to attend our meetings yet, I hope you will be able to do so this Fall. Not only do we have fun, but it is a rewarding way to give back to the church and community.

## Sunday School

### All Saints' Children's Christian Education

May is a busy month this year for Sunday School. We are continuing our celebration of the Easter Season and adding the celebration of our children as well.

May 13 will be Youth Sunday when the children are asked to be a part of the church service through participation in the processional and the reading of scripture. Be sure to attend this important and joyous event!

**May 20<sup>th</sup> will be our last day of Sunday School** as May 26<sup>th</sup> will be Memorial Day Weekend and I will be out of town at a family wedding. During the summer months, children will attend the whole service but the nursery will remain open.

Congratulations to our wonderful Nursery School teacher, Tia Cox, who has done an outstanding job this year as teacher for our preschoolers. The good news is that Tia will be leaving for the University of Florida this summer! Go Gators! But, the bad news is that we will be without a Nursery attendant for the summer.

If you know of anyone, teenager (with experience) or an adult, who would be interested in being our Nursery School attendant for the summer (no teaching, just caring for them while they play and providing a snack) please let me know or have them call me. (561-758-5276) We pay \$30 for each Sunday.

Karen Neff – Children's Christian Education Director

All Saints' Vacation Bible School 2018  
June 11<sup>th</sup> – 15<sup>th</sup>  
9am -Noon

Tell your family and friends that at “**Shipwrecked - Rescued by Jesus**”, children will discover how Jesus rescues us through life’s storms. Their 5 Senses will be tapped into each day as they have fun with science activities, team-building games, cool Bible songs and tasty treats. Their day will also be filled with incredible Bible-learning experiences.

Our outreach will extend beyond Martin County this year as the children will be bringing offerings for a World Vision project, “Growing God’s Love in Haiti”. Every \$10 collected will provide drought-tolerant seeds that can feed a child for a year. We also hope to work with the House of Refuge and possibly, House of Hope. We’ll keep you posted!

We have already begun planning and ordering many things for our annual Vacation Bible School. Many have signed up to help with the event and for this I am forever thankful because this event would not be able to take place without the many hands that offer to help. Please let me know if you haven’t had a chance to sign up as a volunteer, as we could still use many more!

During the month of May we will be meeting in Houg Hall about one or two days a week to make the many decorations needed to turn Houg Hall into a **deserted island**. The week before June 11<sup>th</sup> we will be busy putting all of the decorations in place and setting up Houg Hall. We will need LOTS of big empty boxes so drop them off at Houg or Coffee Hall ASAP! Thanks!

Be on the look-out for our VBS collection bucket! We’ll take any and all contributions! Thank you for your “generous” support!

Karen Neff – VBS Director

## All Saints' New Church Sign

Great News! As of April 23<sup>rd</sup>, the zoning permit for our new church sign has been approved!! And even GREATER news, our new sign is expected to be shipped to us on May 4<sup>th</sup>!!! It will be shipped to Flamingo Signs, who will be doing the installation. This will be coordinated with Electrical Connection who will be running the electricity to the sign from the pump house. I've explained to both companies that it is imperative that the sign be installed ASAP! Say your prayers that the sign will be installed BEFORE Father Frisby leaves so he can bless the sign.

## Need a ride?

No problem!!! Just call "Go Go Grandparents". It is a branch of Uber but much easier to use.

How it works:

1 Call 1-855-464-6872

2 Answer a few questions and you will be registered as a customer.

3 The day you need a ride just call and a driver will pick you up. Tell him where you want to go.

4. When you are done call the same number and a driver will come to bring you home.

**EASY**

## **Correction!**

The picture of Easter Sunrise Service on last month's Trumpet was attributed to Ritchie Menard. I would like to correct the acknowledgement at this time. The picture was beautiful and taken by Janet Galante. She and her husband, Richard, are spending the winter in Florida and attending All Saints' Church.

Thank you Janet.

candles has long been a tradition in churches throughout the world. What a comfort it is to know that somewhere a small flame is burning in honor of a loved one. In the lighting of candles, we remember and truly live the words of Our Lord: "I am the Light of the World." In the lighting of candles we not only pray, but our prayers become smaller symbols of the One Light of Christ. Lighting a candle is a way of extending one's prayer and showing solidarity with the person on whose behalf the prayer is offered.

Even though the candles are small, they will burn for 6 hours and not break the glass. Please do not be afraid to light a candle. They represent prayers said and look beautiful!
